The Old Sawmill is a select new development, located in a sought-after, family location, in the desirable village of Headley.

Named The Old Sawmill, due to the previous use of the semi-rural site, this exclusive development has been built by local, reputable developer Willowcrest Homes.

There are four different luxury house types available, offering two, three, four, or five bedrooms, with modern family living spaces, fitted kitchens with integrated appliances, underfloor heating and quality bathroom suites.

Each home will benefit from a driveway, with all three, four, and five bedroom homes also featuring either a double or single garage, whilst the gardens have been landscaped, fenced and turfed, featuring generous patios, outdoor electric points and taps.
