THE PROPERTY

A most impressive and substantial Georgian Townhouse arranged over 4 floors, nestled on the Lansdown slopes, north of the City Centre in quiet and leafy Richmond Hill. The property has been the subject of an extensive renovation by the owner's interior design company. All the original period features merge beautifully with contemporary style of the high end interior fittings resulting in a truly stunning, well designed Bath home. Set behind a private gated entrance, the south facing garden and terrace leads to the front door which opens on to a light and bright hallway and into the kitchen/dining room, a truly beautiful room where the light floods in, and enjoying the benefit of a real Barbas woodburner. The kitchen houses a substantial four oven gas AGA, Gaggenau fridge/freezer and dishwasher, with the washing machine and tumble dryer being in the lower ground floor utility/laundry room. Stairs rise to the first floor to the south facing Drawing Room which has a real open fire and stunning views over Bath and St Stephens church. The first floor also offers a double bedroom with a large en suite shower room and a compact and useful study area. There are two double bedrooms and a bathroom with separate shower on the second floor and stone stairs sweep up to the third floor where a full floor bedroom enjoys a sunny south facing balcony with majestic Bath City views and an en suite shower room. The rear garden leads to a separate and detached gym. There is an off street parking space to the rear of the house and two residents' permits are available for street parking on Richmond Hill. A most remarkable example of a first class, Listed, Georgian Townhouse, and a property such as this is rarely available on the rentals market.
